# New From HPC Car Opening Tools

**Gold Finger Kit**

This 5-foot long bendable car opening tool has two special working ends. The hook end is designed to mimic your finger action pulling levers and flipping rockers. The opposing end is perfect for grabbing switches that must be pushed. The bright yellow ends make them easy to see in dark interiors & super strong steel body will outlast similar tools. AW-99 and AS-1 included.

**AKK-GF**

**Intro \$35.99**

**Button Clutch Kit**

This compact action tool will grab lock buttons and not let go !! By separating the handles, the loop retracts providing a secure grip on the lock button. Combined with a 3/8" Ultimate Auto Wedge (included) and Autosleeve (included) this hybrid tool will make your next auto opening quick and effortless.

**AKK-BC**

**Intro \$32.39**

**Skinny Twister**

When faced with vehicles that won't wedge open, flip to the new twist in car opening. The thinnest through-car tools available, they slide between windows and weather-stripping where rod tools just can't fit. The Skinny Twister has two different working ends and can be bent into almost any configuration. It can twist and turn as it squeezes inside the vehicle. A quick pull of the cord helps you locate the latch and open more cars. (Includes AS-1)

**AKK-ST**

**Intro \$17.99**

**Skinny Flipper**

Made of super-bouncy spring steel and the laminated body allows you to manipulate the working end from outside of the car. "The" solution to tight door seams. (includes CO-89 and AS-1)

**AKK-SF**

**Intro \$34.19**

# New From HPC

## Dual-Mode Illuminator

Stop working in the shadows !! This light illuminates the dark interiors that can haunt your late-night openings. The Dual-Mode Illuminator has a twist-on suction cup, can be bent & turned in any direction, and shines three times brighter than other lights do. Plus, the strobe-mode may also be used to alert on-coming traffic when you must work on the street-side door of a locked vehicle.

**DMI-300**

**Intro \$35.99**

## Cylinder Eater

This new drill attachment will chew-up every cylinder you put in front of it !! The replaceable tips allows you to instantly devour mailbox locks, knob locks, dead-bolts, IC and more, gnawing through shear lines with fool proof accuracy. Included tips: .395, .500 & .550.

**CE6000**

**Intro \$237.50**

## Key Cabinets Single Tag

Designed to control and provide security for home or office key systems. Mount on a wall, near a desk, a work station or recessed into the wall. White tags with bright nickel plated snap-hooks that can be numbered for easy identification. Heavy gauge steel construction painted with a unique 2 step textured epoxy painting process which is not only attractive but is durable.
