PICK LOCK, TICK TOCK. PULL LOCK, SAVE CLOCK.

“In less than a minute, **Quickpull** has me in and the cylinder resting on my bench, ready for re-keying — no need to drill stubborn cylinders or drag out the picking process, which may or may not work. Quickpull should be in EVERY locksmith’s arsenal.”

Mark Jones
Professional locksmith for
26 years and inventor of
The Better Resetter

- NO PICKING
- NO DISASSEMBLY
- EXTERIOR REMOVAL
- REPLACE LOCK IN MINUTES
